

"Padre Kino and the Trail to the Pacific"  
"Kino Trail Book" Map Guide by Chapters  
(See also "Kino Book Guide - Chronology and Maps with Book Chapter and Page References)

Below a page number reference is a specific map that should be viewed when reading that page. The first digit in the map name refers to a chapter number. General maps are usually at beginning of chapters and do not have page number references in the line above. Maps named with first word "Area" are scaled approximately the same.

Maps drawn by or published from Kino maps have word "Kino" in file name.

Set "File View" menu to: "Icons - Large" for ease of previewing of maps before opening.
